| Project Duration | 02.05.2024 – 28.11.2025 |

Project description

The creative café 'De Fuedem den eis verbënnt' aims to create social links in a rural canton by developing common projects. Various modules will be offered:

- Upcycling sewing: explore repairing, altering and creating projects for the community
- Plastic arts: creating works of art for an exhibition inspired by local heritage
- Do it yourself: practising DIY, helping others and learning about recycling and upcycling

Main objectives

- To open up a space where people can meet and exchange ideas, promoting social inclusion through the arts and the skills of each individual
- Encourage intercultural and intergenerational encounters
- Awaken and develop interest in the ecology and heritage of Luxembourg
- Develop projects for the common good

Target audience

- General public (new arrivals, natives, single parents, families, young people, isolated people, etc.)
- REVIS beneficiaries
